Peter KAMMERSTAETTER, member of the Central Committee and secretary of the provincial board of the Communist Party of Austria in LINZ, said that a large scale indoctrination campaign is to be launched. Instruction courses at party schools are to be extended to effect a thorough theoretical training. The 6-month courses of the VIENNA Party School, for example, are to be extended to one-year courses which are to be attended by all functionaries down to the district leaders.
